13 accountants and mailing and distribution costs and expenses relating to filing (or failing to file) the
14 returns described in this Agreement (“Tax Expenses”).

15 (ddd) “**Termination Notice**” means written notice of a Party’s election to terminate
16 this Agreement, provided to all other Parties, as described in Section XIV.

17 (eee) “**Unknown Claims**” means any and all claims that could have been raised in
18 the Action and that any or all of the Releasing Parties do not know or suspect to exist, which, if known
19 by him or her, might have affected his or her agreement to release the Released Parties or the Released
20 Claims or might affect his or her decision to agree, object or not object to the Settlement, or seek
21 exclusion from the Class. Upon the Effective Date, the Releasing Parties shall be deemed to have,
22 and shall have, expressly waived and relinquished, to the fullest extent permitted by law, the
23 provisions, rights and benefits of Section 1542 of the California Civil Code. Upon the Effective Date,
24 the Releasing Parties also shall be deemed to have, and shall have, waived any and all provisions,
25 rights and benefits conferred by any law of any state or territory of the United States, or principle of
26 common law, or the law of any jurisdiction outside of the United States, which is similar, comparable
27 or equivalent to Section 1542 of the California Civil Code. The Releasing Parties acknowledge that
28 they may discover facts in addition to or different from those that they now know or believe to be true

1 with respect to the subject matter of this release, but that it is their intention to finally and forever
2 settle and release the Released Claims, notwithstanding any Unknown Claims they may have, as that
3 term is defined in this Section.

4 **II. SETTLEMENT FUND AND NON-MONETARY RELIEF**

5 1. Flo agrees to pay and tender the Flo Settlement Amount into the Escrow Account as
6 consideration for the releases and covenants set forth herein by ten (10) Business Days prior to the
7 Final Approval Hearing, but in no event shall payment be made before Class Counsel provides a
8 completed W-9 tax form and appropriate wiring instructions for the Escrow Account to Flo's Counsel.
9 All interest earned by any portion of the Flo Settlement Amount paid into the Escrow Account shall
10 be added to and become part of the Settlement Fund. The Parties expressly acknowledge and agree
11 that the Flo Settlement Amount: (i) is the result of good-faith negotiations conducted by and between
12 the Parties; (ii) represents the sole consideration for the release of the Released Claims; and (iii)
13 constitutes fair and reasonable consideration for the release of any and all released claims.

14 2. This is not a claims-made settlement. As of the Effective Date, Flo and/or any other
15 Person funding the Flo Settlement Amount on Flo's behalf, shall not have any right to the return of
16 the Settlement Fund or any portion thereof for any reason.

17 3. The Settlement Fund shall be used to pay for: (i) Notice and Settlement Administration
18 Costs incurred pursuant to this Settlement Agreement and/or approved by the Court, (ii) any Taxes
19 and Tax Expenses, (iii) any banking costs incurred to hold and invest the Settlement Fund, (iv) any
20 Attorneys' Fees and Expenses Award as approved by the Court, (v) Service Awards to Plaintiffs, (vi)
21 any other fees, costs, or awards approved by the Court, and (vii) payments to Authorized Claimants.
22 The Settlement Administrator will maintain control over the Settlement Fund, under the direction of
23 Class Counsel, and shall be responsible for all disbursements.

24 4. Flo's deposit of the Flo Settlement Amount into the Settlement Fund represents the
25 total extent of Flo's monetary obligations to the Class under this Agreement, except as specified
26 herein. The Flo Settlement Amount is an "all in" payment to Plaintiffs and the Class that includes all
27 attorneys' fees and expenses, any Service Awards, costs of the Notice Plan, the Settlement
28 Administrator's fees and costs and any other class administration costs or expenses, any Taxes or

1 other Tax Expenses, and any other fees or costs associated with settlement of the Action, except that
2 Flo shall be responsible for the notice required by the Class Action Fairness Act of 2005, 28 U.S.C.
3 § 1715 (“CAFA”), as set forth in Section VI, and for the costs of implementing the non-monetary
4 relief, as set forth in this Section II. In no event shall Defendant’s monetary obligations to the Class
5 with respect to this Agreement exceed the Flo Settlement Amount, except for the costs, if any, of the
6 CAFA notice and the implementation of the injunctive relief as set forth in Section II.

7 5. No amounts may be withdrawn from the Settlement Fund unless: (i) authorized by this
8 Settlement Agreement, or (ii) as may be approved by the Court. Class Counsel may authorize the
9 periodic payment of Taxes and Tax Expenses, banking costs, and Notice and Settlement
10 Administration Costs from the Settlement Fund as such expenses are incurred without further order
11 of the Court or approval of Flo. The Settlement Administrator shall provide Class Counsel with notice
12 of any withdrawal or payment to be made from the Settlement Fund prior to making such withdrawal
13 or payment.

14 6. As further consideration for the Settlement, Flo agrees to display on the landing page
15 of its website a prominent notice about Flo’s commitment to privacy, along with a prominent link to
16 its Privacy Policy, in large font, for the duration of one year from the date the Final Approval Order
17 and Final Judgment become Final. The Parties further agree this notice is not, and shall not be
18 construed as or offered as evidence of, an admission of wrongdoing by Flo (which is expressly denied)
19 or an admission to any of Plaintiffs’ allegations in the Action in any context for any purpose
20 whatsoever.

21 **III. ADMINISTRATION/MAINTENANCE OF THE SETTLEMENT FUND**

22 7. The Settlement Fund shall be maintained by the Settlement Administrator and Class
23 Counsel under supervision of the Court and shall be distributed solely at such times, in such manner,
24 and to such Persons as shall be directed by this Settlement Agreement and subsequent orders of the
25 Court, if any.

26 8. After the Flo Settlement Amount has been paid into the Escrow Account, the Parties
27 intend that the Settlement Fund be treated as a “qualified settlement fund” within the meaning of
28 Treasury Regulation § 1.468B. The Settlement Administrator shall ensure that the Settlement Fund

1 at all times complies with Treasury Regulation § 1.468B in order to maintain its treatment as a
2 qualified settlement fund. Any failure to ensure that the Settlement Fund complies with Treasury
3 Regulation § 1.468B-2, and the consequences thereof, shall be the sole responsibility of the Settlement
4 Administrator. The Settlement Administrator shall timely make, or cause to be made, such elections
5 as necessary or advisable to carry out the provisions of this Section, including the “relation-back
6 election” (as defined in Treas. Reg. § 1.468B-1) back to the earliest permitted date. Such election
7 shall be made in compliance with the procedures and requirements contained in such regulations. It
8 shall be the responsibility of the Settlement Administrator to timely and properly prepare and deliver,
9 or cause to be prepared and delivered, the necessary documentation for signature by all necessary
10 parties, and thereafter take all such actions as may be necessary or appropriate to cause the appropriate
11 filing(s) to timely occur. Consistent with the foregoing:

12 (a) For the purposes of Section 468B of the Internal Revenue Code of 1986, as
13 amended, and Treas. Reg. § 1.468B promulgated thereunder, the “administrator” shall be the
14 Settlement Administrator, who shall timely and properly file, or cause to be filed, all federal, state, or
15 local tax returns and informational returns (together, “Tax Returns”) necessary or advisable with
16 respect to the earnings on the funds in the Settlement Fund and Escrow Account (including without
17 limitation the returns described in Treas. Reg. § 1.468B-2(k)). Such Tax Returns (as well as the
18 election described above) shall be consistent with this Section and in all events shall reflect that all
19 Taxes (including any estimated taxes, earnings, or penalties) on the income earned on the funds
20 deposited in the Escrow Account shall be paid out of such funds as provided for herein.

21 (b) All Taxes and Tax Expenses shall be paid out of the Settlement Fund. In all
22 events, Flo, Flo-Related Parties, and Flo’s Counsel shall have no liability or responsibility whatsoever
23 for the Taxes or the filing of any Tax Return or other document with the Internal Revenue Service or
24 any other state or local taxing authority. In the event any Taxes are owed by Flo on any earnings on
25 the funds on deposit in the Escrow Account, such amounts shall also be paid out of the Settlement
26 Fund.

(c) The Escrow Account shall indemnify and hold the Parties, Class Counsel, and Flo's Counsel harmless for all Taxes (including, without limitation, Taxes payable by reason of any such indemnification).

(d) Taxes and Tax Expenses with respect to the Flo Settlement Amount and the Settlement Fund shall be treated as, and considered to be, a cost of administration of the Settlement and shall be timely paid, or caused to be paid, by the Settlement Administrator out of the Settlement Fund without prior order from the Court or approval by the Parties. The Settlement Administrator shall be obligated (notwithstanding anything herein to the contrary) to withhold from distribution to Authorized Claimants any funds necessary to pay such amounts including the establishment of adequate reserves for any Taxes and Tax Expenses (as well as any amounts that may be required to be withheld under Treas. Reg. § 1.468B-2(l)(2)). The Parties hereto agree to cooperate with each other, the Settlement Administrator, and their tax attorneys and accountants to the extent reasonably necessary, to carry out the provisions of this Section III. The Settlement Administrator shall provide an accounting of any and all funds in the Settlement Fund, including any accrued interest and payments made, upon reasonable request of any Party.

9. All funds held in the Escrow Account, and all earnings thereon, shall be deemed to be in the custody of the Court and shall remain subject to the jurisdiction of the Court until such time as the funds shall have been disbursed or returned, pursuant to the terms of this Settlement Agreement, and/or further order of the Court. The funds in the Escrow Account shall be invested in instruments backed by the full faith and credit of the United States Government (or a mutual fund invested solely in such instruments), or deposit some or all of the funds in non-interest-bearing transaction account(s) that are fully insured by the Federal Deposit Insurance Corporation ("FDIC") in amounts that are up to the limit of FDIC insurance. Flo and Flo's Counsel shall have no responsibility for, interest in, or liability whatsoever with respect to investment decisions in connection with the Escrow Account. All risks related to the investment of the Settlement Fund shall be borne solely by the Settlement Fund.

IV. RELEASES AND COVENANTS NOT TO SUE

10. "Releases" mean the releases and waivers set forth in this Settlement Agreement and in the Final Approval Order and Final Judgment.

1 11. Upon the Effective Date of the Settlement Agreement, all Releasing Plaintiff Parties
2 shall be deemed to have, and by operation of the Final Approval Order and Final Judgment in this
3 Action shall have, fully, finally and forever released, relinquished, and discharged any and all
4 Released Plaintiffs' Claims, including Unknown Claims as of the Notice Date, against the Released
5 Flo Parties, except for claims relating to the enforcement of the Settlement.

6 12. The Released Plaintiffs' Claims shall be construed and interpreted to effect complete
7 finality over the Action with respect to the Released Flo Parties.

8 13. The Released Plaintiffs' Claims include known and Unknown Claims relating to the
9 Action, and this Settlement Agreement is expressly intended to cover and include all such injuries or
10 damages, including all rights of action thereunder. Upon the Effective Date, the Releasing Plaintiff
11 Parties will expressly, knowingly, and voluntarily waive any and all provisions, rights, and benefits
12 conferred by California Civil Code Section 1542 and any statute, rule, and legal doctrine similar,
13 comparable, or equivalent to California Civil Code Section 1542, which provides as follows:

14 A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR
15 RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER
16 FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY
17 HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT
18 WITH THE DEBTOR OR RELEASED PARTY.

19 In connection with such waiver and relinquishment, the Releasing Plaintiff Parties hereby
20 acknowledge, or shall by operation of the Final Approval Order and Final Judgment be deemed to
21 have acknowledged, that they are aware that they or their attorneys may hereafter discover claims or
22 facts in addition to or different from those that they now know or believe exist with respect to the
23 Released Plaintiffs' Claims, but that it is their intention to hereby fully, finally, and forever settle and
24 release all of the Released Plaintiffs' Claims known or unknown, suspected or unsuspected, that they
25 or a parent or guardian acting on their behalf, or their heirs, assigns, estates, grantees, beneficiaries,
26 executors, administrators, predecessors, and successors, and any other person purporting to claim on
27 their behalf, in their stead, or through them, have against the Released Flo Parties.

1 14. Upon the Effective Date of the Settlement Agreement, Flo and the Flo-Related Parties
2 shall fully, finally, and forever release, relinquish, and discharge from and covenant not to sue the
3 Released Plaintiff Parties, in their capacities as such, for any claims, including Unknown Claims,
4 arising out of or related to the institution, prosecution, or settlement of the claims asserted in the
5 Action, except for claims relating to the enforcement of the Settlement.

6 15. In furtherance of such intention, the Releases herein given to the Released Parties shall
7 be and remain in effect as a full and complete release of the Released Claims notwithstanding the
8 discovery or existence of any such additional different claims or facts.

9 16. Upon the Effective Date: (a) the Settlement Agreement shall be the exclusive remedy
10 for any and all Released Claims of the Releasing Parties; and (b) Plaintiffs stipulate to, and the
11 Releasing Plaintiff Parties shall be permanently barred by Court order from, initiating, asserting, or
12 prosecuting against the Released Flo Parties, in any federal or state court or tribunal, any and all
13 Released Plaintiffs' Claims.

14 **V. MOTION FOR PRELIMINARY APPROVAL**

15 17. Within ten (10) days after the Execution Date, Class Counsel, on behalf of Plaintiffs,
16 shall submit this Settlement Agreement to the Court and shall file a motion for entry of the Preliminary
17 Approval Order in the Action requesting:

18 (a) Preliminary approval of the Settlement Agreement and Settlement, as set forth
19 herein;

20 (b) Approval of Settlement Notice, the Notice Plan, and the Claim Form to be
21 drafted and agreed upon by the Parties in coordination with the Settlement Administrator;

22 (c) Appointment of the Settlement Administrator;

23 (d) Establishment of procedures and requirements for objections by any Class
24 Member to the proposed Settlement contained in this Settlement Agreement, the entry of the Final
25 Approval Order and Final Judgment and Class Counsel's Fee and Expense Application, including
26 that any papers submitted in support of said objections shall be considered by the Court at the Final
27 Approval Hearing only if, on or before the Objection Deadline, such objector files with the Court a
28 written objection, and otherwise complies with the requirements in the Preliminary Approval Order;

(e) Deadlines by which the Parties shall file and serve all papers in support of the application for final approval of the Settlement and/or in response to any objections; and

(f) A date for the Final Approval Hearing.

18. The Preliminary Approval Order may also request that the Court delay the issuance of Settlement Notice for a set period of time or until any additional settlement in this Action is preliminarily approved, or until a judgment is rendered after a jury verdict in the District Court, whichever is earlier, and delay the scheduling of a Final Approval Hearing and briefing schedule for the motion for final approval and entry of Final Judgment until after Settlement Notice is issued.

VI. NOTICE PLAN

19. In connection with the preparation of Plaintiffs' Motion for Preliminary Approval of this Settlement Agreement, Flo, Class Counsel, and the Settlement Administrator will cooperate to jointly develop and recommend a mutually agreeable Notice Plan to provide Settlement Notice to Class Members through reasonable and appropriate forms of notice.

20. The text of the proposed notices shall be agreed upon by the Parties before submission to the Court for approval.

21. Notice shall follow the same procedures—method of delivery, similar content updated for settlement, and scope—as the pre-trial notice program previously approved by the Court. *See* ECF. 619, ECF. 632. Notice shall not be sent to persons who opted out of the Class prior to trial.

22. To preserve Class resources and avoid undue prejudice to Flo, subject to Court approval, notice of this Settlement shall be combined with notice of the settlements with Flurry and Google.

23. The proposed notices shall collectively explain: (i) the general terms of the Settlement, (ii) the general terms of the proposed relief to Class Members, (iii) the general terms of the Fee and Expense Application, (iv) Class Members' rights to object to the Settlement and/or the Fee and Expense Application, and/or to appear at the Final Approval Hearing, and (v) the process for submitting a Claim Form to obtain the proposed relief.

24. Pursuant to the Notice Plan, no later than the Notice Date, the Settlement Administrator will populate the website <https://periodtrackerdataprivacylitigation.com/>, into which

1 the Parties have already invested time and resources and with which interested persons are already
2 familiar, with text and content to be provided by the Parties. The website shall contain the Complaint,
3 the Settlement Notices, this Settlement Agreement, and other mutually agreed relevant Settlement
4 and court documents. A link to the case website shall be included in any emails sent to Class Members.
5 The case website shall be maintained from the Notice Date until one hundred eighty (180) calendar
6 days after the Effective Date or when the Net Settlement Fund has been fully distributed, whichever
7 is later.

8 25. The Settlement Administrator shall accurately and objectively describe the terms of
9 the Settlement Agreement in communications with Class Members, including by training its
10 employees and agents accordingly. Any written materials provided by the Settlement Administrator
11 to Class Members concerning the Settlement Agreement, including advertisements or public
12 websites, shall be consistent with the exhibits attached hereto, the Notice Plan approved by the Court,
13 and subject to revision and preapproval by Class Counsel. A copy of any such draft materials given
14 to or reviewed by Class Counsel shall also be provided to Flo's counsel simultaneously.

15 26. The Notice Plan shall be subject to approval by the Court as meeting the requirements
16 of Rule 23(c) of the Federal Rules of Civil Procedure and all applicable requirements of due process
17 under the U.S. Constitution.

18 27. All fees, costs, and expenses associated with disseminating notice to any Class
19 Member, responding to inquiries from the Class, and performing all other of the Settlement
20 Administrator's duties under this Agreement will be considered Notice and Settlement
21 Administration Costs and be paid from the Settlement Fund. Plaintiffs and the Settlement
22 Administrator shall mutually agree on the budget in connection with Notice and Settlement
23 Administration Costs and shall use all reasonable efforts to avoid unnecessary expenses.

24 28. No later than ten (10) calendar days after the filing of this Settlement Agreement with
25 the Court, Flo shall notify, or cause to be notified, the appropriate state and federal officials of this
26 Settlement Agreement pursuant to CAFA, at no cost to the Class, Class Counsel, the Settlement
27 Administrator, or Plaintiffs.

29. The Parties agree that the Notice Plan contemplated by this Settlement Agreement is valid and effective, that if effectuated, it would provide reasonable notice to the Class of the Settlement, and that it represents the best practicable notice under the circumstances.

30. No later than seven (7) calendar days prior to the Final Approval Hearing, Class Counsel and Flo's Counsel shall cause to be filed with the Court, an appropriate affidavit or declaration from the Settlement Administrator with respect to complying with the Court-approved Notice Plan.

VII. SETTLEMENT ADMINISTRATION

31. Other than as set forth herein, the Parties and their counsel shall not have any responsibility for or liability whatsoever with respect to (a) any act, omission or determination of the Settlement Administrator, or any of their respective designees or agents, in connection with the administration of the Settlement or otherwise; (b) the distribution of the Settlement Fund; (c) the formulation, design, or terms of the disbursement of the Settlement Fund; (d) the administration, calculation, or payment of any claims asserted against the Settlement Fund; (e) any losses suffered by, or fluctuations in the value of the Settlement Fund; or (f) the payment or withholding of any Taxes, Tax Expenses, or costs incurred in connection with the taxation of the Settlement Fund or the filing of any returns.

32. Upon request, the Settlement Administrator will serve copies of all Requests for Exclusion on Class Counsel and Flo's Counsel, as well as reports on objections.

VIII. REQUESTS FOR EXCLUSION (OPT-OUTS)

33. The deadline to request exclusion from the Class passed on July 20, 2025. The Parties do not believe that an additional opportunity to request exclusion is warranted and will ask the Court not to exercise its discretion to require a second opportunity.

34. The Parties agree that the decision to opt out of the Class is to be left to individual Class Members. If contacted by a Class Member, Class Counsel may provide advice or assistance as such Class Member requests. By signing this Settlement Agreement, Plaintiffs represent that each agrees that they support the Settlement and believes it is in the best interests of the Class, and

1 Plaintiffs, Class Counsel and Flo's Counsel represent and agree that they shall not seek to encourage,
2 counsel, or represent others to submit a Request for Exclusion from the Class.

3 35. In the event the Court orders that there be a second opportunity to request exclusion,
4 any Class Member (other than Plaintiffs) who wishes to exclude themselves from the Class must
5 submit a written Request for Exclusion pursuant to the requirements set by the Court.

6 36. Should the Court permit a second opportunity to opt out of the Settlement, any
7 additional Requests for Exclusion permitted by the Court must be postmarked, emailed, or uploaded
8 to the case website by 11:59 PM PT on the deadline set by the Court. A Request for Exclusion must
9 be personally signed only by the person requesting exclusion (except for Requests for Exclusion by
10 Class Members under the age of eighteen (18), which may be submitted and signed by the person's
11 parent or legal guardian so long as the Request for Exclusion indicates that the request is being made
12 by such Class Member's parent or legal guardian). A Request for Exclusion must include:

13 (a) The name of this litigation or a decipherable approximation, *i.e.*, *Frasco v. Flo*
14 *Health, Inc.*, No. 3:21-cv-757 (N.D. Cal.);

15 (b) The full name, address, current email, email used in connection with the
16 requester's Flo App account, telephone number and signature of the Class Member requesting
17 exclusion; or for those acting through a representative, the full name, address, current email, email
18 used in connection with the requester's Flo App account, telephone number and signature of the Class
19 Member requesting exclusion and the full name, address, current email, telephone number,
20 relationship, and signature of the individual acting on behalf of the Class Member; and

21 (c) The words "Opt-Out" or "Request for Exclusion" clearly in the document
22 requesting exclusion from the Settlement.

23 37. Any individual who submits a valid and timely Request for Exclusion shall not: (a) be
24 bound by any orders or judgments entered in connection with the Settlement; (b) be entitled to any
25 relief under, or be affected by, this Agreement; (c) gain any rights by virtue of the Settlement
26 Agreement; or (d) be entitled to object to any aspect of the Settlement.

27 38. Any individual in the Class who does not submit a valid and timely Request for
28 Exclusion in the manner required herein and in the Class Notice shall be deemed to be a Class Member

1 upon expiration of the Request for Exclusion (Opt Out) Deadline, and shall be bound by all
2 subsequent proceedings, orders, and judgments applicable to the Class.

3 39. In the event the Court orders that there be a second opportunity to request exclusion,
4 and only in that event, Defendant may, in its sole discretion, terminate this Settlement Agreement if
5 the number of unique valid and timely Requests for Exclusion, excluding those received on or before
6 the Execution Date, exceeds a number agreed to by the Parties, as set out in Exhibit B, which shall be
7 submitted confidentially to the Court *in camera*. If Defendant elects to terminate the Settlement
8 pursuant to this provision of the Settlement Agreement, it shall provide written notice to Class
9 Counsel within five (5) Business Days following the additional Request for Exclusion (Opt Out)
10 Deadline. If Defendant rescinds the Settlement Agreement pursuant to this provision of the
11 Agreement, it shall have no further obligations to pay the Flo Settlement Amount and shall be
12 responsible for only the fees and expenses actually incurred by the Settlement Administrator.

13 **IX. SETTLEMENT AND CLAIMS ADMINISTRATION**

14 40. The Settlement Administrator has signed an Acknowledgment and Agreement to be
15 Bound by the Protective Order in the Action, (Dkt. No. 112), and will take all reasonable steps to
16 ensure that any information provided to it by Defendants and Class Members will be used solely for
17 the purpose of effectuating this Settlement, including by complying with the Protective Order, the
18 Northern District of California Data Protection Checklist, and the Northern District of California
19 Procedural Guidance for Class Action Settlements. The Settlement Administrator will not use the
20 information provided by Defendants or Class Counsel in connection with the Settlement or the Notice
21 Plan for any purposes other than providing notice of the Settlement or conducting claims
22 administration.

23 41. The Settlement Administrator, subject to such supervision and direction by the Court,
24 and/or Class Counsel as may be necessary, shall administer the Claim Forms submitted by claimants.
25 After the Effective Date of the Settlement, the Settlement Administrator shall oversee the distribution
26 of payments to Authorized Claimants that file timely and valid Claim Forms.

27 42. In order to be considered timely and valid, a Claim Form must be electronically
28 submitted or postmarked by no later than the Claims Filing Deadline. The Settlement Notice will

1 specify the Claims Filing Deadline and other relevant dates described herein. A Claim Form that is
2 sent to an address other than that designated by the Settlement Administrator, or that is not timely
3 postmarked or electronically submitted, shall be invalid.

4 43. Subject to consultation with the Settlement Administrator, a claimant submitting a
5 Claim Form shall provide:

6 (a) His or her full name, mailing address, email address, and contact telephone
7 number, if required for digital payment;

8 (b) An affirmation that the person is a member of the Class; and

9 (c) A signature and affirmation of the truth of the contents of the Claim Form.

10 (d) The Claim Form shall further state that: (a) each Class Member may submit
11 only one Claim Form and receive compensation from Defendant for settlement of the Released
12 Plaintiffs' Claims only once; (b) submitting false information will render a Claim Form invalid; and
13 (c) payments from the Net Settlement Fund will be based on pro rata allocation formulas approved
14 by the Court.

15 44. The Settlement Administrator shall have the right to audit each Claim Form for
16 validity, timeliness, completeness, and fraud. If, in the determination of the Settlement Administrator,
17 the claimant submits a timely but incomplete Claim Form, the Settlement Administrator shall attempt
18 to contact the person who submitted the Claim Form at least once by email, or if no email address is
19 available, by regular U.S. mail (i) to give the claimant notice of the deficiencies and (ii) the claimant
20 shall have twenty (20) calendar days from the date of the written notice to cure the deficiencies (or a
21 lesser period of time if the Claim Form is untimely). If the defect is not cured within the required time
22 period, then the Claim Form will be deemed invalid.

23 45. If at any time during the claims process, the Settlement Administrator has a reasonable
24 suspicion of fraud, the Settlement Administrator shall immediately notify Class Counsel of that fact
25 and the basis for its suspicion. The Settlement Administration and Class Counsel shall endeavor to
26 reach an agreed-upon solution to any suspected fraud and, if necessary and agreed upon by Class
27 Counsel and the Settlement Administrator, Class Counsel and/or the Settlement Administrator will
28 promptly seek assistance from the Court.

1 46. The Settlement Administrator shall notify the Parties that all approved Claims have
2 been paid within five (5) Business Days of the last such payment.

3 47. The Settlement Administrator's determination of the validity or invalidity of Claim
4 Forms shall be binding, subject to Court review.

5 48. **Distribution Plan.** Subject to the terms and conditions of this Settlement Agreement,
6 after the Effective Date of the Settlement, the Settlement Administrator shall mail or otherwise
7 provide a payment, via check or electronic means using an electronic payment platform (a "Claim
8 Payment"), to each Authorized Claimant for their pro rata share of the Net Settlement Fund, in
9 accordance with the following distribution procedures and those developed by the Settlement
10 Administrator.

11 (a) The Settlement Administrator shall utilize the Net Settlement Fund to make all
12 Claim Payments.

13 (b) The amount of each Claim Payment shall be calculated by dividing the Net
14 Settlement Fund by the number of Authorized Claimants that submit a valid Claim Form. Authorized
15 Claimants that provide reasonable documentation showing they are residents of California will
16 receive twice the pro rata share of Authorized Claimants who are residents of other states. Any
17 decision by the Court concerning this plan of allocation shall not affect the validity or finality of the
18 Settlement or operate to terminate or cancel this Settlement or affect the finality of the Final Approval
19 Order. In the event the Court approves a different allocation plan, this will not be grounds to disturb
20 or terminate the Settlement Agreement by any Party.

21 (c) The Settlement Administrator will distribute the Net Settlement Fund to
22 Authorized Claimants, using commercially reasonable efforts, under Class Counsel's supervision in
23 accordance with this Settlement Agreement and subject to the jurisdiction of the Court.

24 (d) All Claim Payments shall be void if not negotiated within sixty (60) calendar
25 days of their date of issue. Authorized Claimants will be informed that, if they do not cash their Claim
26 Payment before the void date, their Claim Payment will lapse and their entitlement to recovery will
27 be irrevocably forfeited and subject to redistribution to other Authorized Claimants. Claim Payments
28 that are not negotiated within sixty (60) calendar days of their date of issue shall not be reissued,

1 except if within the same sixty (60) calendar day period, the Authorized Claimant requests a
2 reissuance.

3 (e) For any Claim Payment checks returned to the Settlement Administrator as
4 undeliverable (including, but not limited to, when the intended recipient is no longer located at the
5 address), the Settlement Administrator shall make reasonable efforts to find a valid address and resend
6 the Claim Payment check. If the Settlement Administrator finds a valid address and resends the Claim
7 Payment check, if the reissued check is not negotiated within sixty (60) calendar days of the issuance
8 date, the check shall become void. The Settlement Administrator shall make only one attempt to
9 resend a Claim Payment check.

10 (f) Each Claim Payment issued via an electronic payment platform will be
11 processed according to the Authorized Claimant's electronic payment platform election. If the
12 Authorized Claimant fails to provide sufficient information to successfully transmit the Claim
13 Payment via the selected electronic payment platform and fails to provide updated information if
14 requested, a check will be sent to the Authorized Claimant.

15 (g) Any balance that remains in the Net Settlement Fund from un-negotiated Claim
16 Payments, after accounting for and paying any additional Taxes or Notice and Settlement
17 Administration Costs that may have been or will be incurred, will be reallocated pro rata among
18 Authorized Claimants who negotiated their Claim Payments, so long as the reallocated pro rata share
19 to each eligible Authorized Claimant is at least \$5.00.

20 (h) Once it is no longer feasible or economical to make further distributions, any
21 unclaimed balance that still remains in the Net Settlement Fund, after payment of Notice and
22 Settlement Administration Costs, Taxes, and Tax Expenses, shall be contributed to a non-profit, non-
23 sectarian 501(c) organization to be mutually agreed upon by Class Counsel and Flo's Counsel and
24 approved by the Court, or as ordered by the Court.

25 49. The Settlement Administrator shall maintain reasonably detailed records of its
26 activities under this Agreement. The Settlement Administrator shall retain all such records as required
27 by law and under its normal business practices, and such records will be made available to Class
28 Counsel and Flo's Counsel upon reasonable request.

1 50. Personal information relating to or submitted by claimants pursuant to this Settlement
2 Agreement shall be deemed confidential and protected as such by the Settlement Administrator, the
3 Parties, and their respective counsel. The Settlement Administrator and Class Counsel and Flo's
4 Counsel shall not use or disclose such records for any purpose other than effectuating the Settlement
5 contemplated by this Agreement.

6 51. All Class Members who fail to submit timely and valid Claim Forms within the time
7 frames set forth herein, or such other period as may be ordered by the Court, or otherwise allowed,
8 shall be forever barred from receiving any payments or benefits pursuant to the Settlement set forth
9 herein, but will in all other respects be subject to, and bound by, the provisions of the Settlement
10 Agreement, the releases contained herein, and the Final Approval Order and Final Judgment once the
11 Effective Date is reached.

12 52. No Person shall have any claim against the Settlement Administrator, Plaintiffs,
13 Released Flo Parties, Plaintiffs' Counsel, and/or Flo's Counsel based on distributions made
14 substantially in accordance with this Agreement and the Settlement contained herein, an approved
15 Distribution Plan for the Net Settlement Fund, or further orders of the Court. Flo, Flo's Counsel,
16 Plaintiffs, and Class Counsel shall have no liability to any Class Member for missed payments,
17 overpayments, or underpayments of the Net Settlement Fund.

18 53. The Released Flo Parties shall not have any responsibility for, interest in, or liability
19 whatsoever with respect to: (i) any act, omission, or determination of Class Counsel, the Settlement
20 Administrator, or any of their respective designees or agents, in connection with the administration
21 of the Settlement or otherwise; (ii) the management, investment, or distribution of the Settlement
22 Fund; (iii) the formulation, design, or terms of the Distribution Plan and the disbursement of the
23 Settlement Fund; (iv) any losses suffered by, or fluctuations in the value of the Settlement Fund; or
24 (v) the payment or withholding of any Taxes, Tax Expenses, and/or costs incurred in connection with
25 the taxation of the Settlement Fund or the filing of any returns. Flo also shall have no obligation to
26 communicate with Class Members and others regarding amounts paid under the Settlement.

X. OBJECTION PROCEDURES

54. The Parties agree that the decision to object to the Settlement is to be left to individual Class Members. By signing this Settlement Agreement, Plaintiffs each represent and agree that they have no objection to this Settlement, and Plaintiffs, Class Counsel, and Defendant represent and agree that they shall not seek to encourage, counsel, or represent others to object to the Settlement.

55. Any Class Member (other than the Plaintiffs) who wishes to object to the fairness, reasonableness, or adequacy of the Settlement, or to Class Counsel's Fee and Expense Application or any requested Service Awards must follow the procedures in this Section and the Preliminary Approval Order.

56. Such Objections must be in writing and must: (i) identify the Action by case name and number; (ii) set forth the objector's full name, current address, telephone number, and email address; (iii) contain the objector's physical signature; (iv) contain proof or an attestation that the objector is a natural person residing in the United States who entered menstruation and/or pregnancy information into the Flo Health mobile application during the Class Period (between November 1, 2016 and February 28, 2019, inclusive); (v) state whether the objection applies only to the Class Member, to a specific subset of the Class, or to the entire Class; (vi) set forth a statement of the specific grounds for the objection, including any legal and factual basis for the objection; (vii) provide copies of any documents that the Class Member wishes to submit in support of his/her position; (viii) identify all counsel representing the Class Member, if any; (ix) if submitted by a representative, contain the signature of the Class Member's duly authorized attorney or other duly authorized representative, along with documentation setting forth such representation; (x) contain a list, including case name, court, and docket number, of all other cases in which the objecting Class Member and/or the objecting Class Member's counsel has filed an objection to any proposed class action settlement in the past three (3) years; and (xi) contain a statement of whether the objector intends to appear at the Final Approval Hearing, and if so, whether personally or through counsel.

57. To be timely, an objection in the appropriate form must be (a) filed with the Clerk of the Court electronically or in person at any location of the United States District Court for the

1 Northern District of California or be mailed to the Clerk of Court; and (b) be filed or postmarked on
2 or before the Objection Deadline.

3 58. Any Class Member who fails to comply with the requirements for objecting shall
4 waive and forfeit any and all rights he or she may have to appear at the Final Approval Hearing and/or
5 to object to any terms or approval of the Settlement and/or the Fee and Expense Application, but shall
6 be bound by all the terms of the Settlement Agreement and by all proceedings, orders, and judgments
7 in the Action, and shall be precluded from seeking any review of the Settlement or the terms of the
8 Settlement Agreement by appeal or any other means, unless otherwise agreed by the Parties.

9 59. Class Members cannot both object and exclude themselves from the Class. Any Class
10 Member who attempts to do so will be deemed to have excluded themselves and will have forfeited
11 the right to object to this Agreement or any of its terms. In other words, Class Members who submit
12 a valid and timely objection, but also submit a valid and timely Request for Exclusion, will be deemed
13 to have opted out of the Class and their objection will be void and invalid.

14 **XI. PAYMENT OF ATTORNEYS' FEES, REIMBURSEMENT OF LITIGATION**
15 **EXPENSES, AND SERVICE AWARDS**

16 60. Subject to Court approval, Plaintiffs and Plaintiffs' Counsel shall be reimbursed and
17 paid solely out of the Settlement Fund for all fees and expenses including, but not limited to,
18 attorneys' fees, and past, current, or future Litigation Expenses, and any Service Awards approved
19 by the Court. Flo shall have no responsibility for any costs, fees, or expenses incurred for or by
20 Plaintiffs' or Class Members' respective attorneys, experts, advisors, agents, or representatives.

21 61. Prior to the Final Approval Hearing, Class Counsel may apply, on behalf of Plaintiffs'
22 Counsel, to the Court for an award from the Settlement Fund of reasonable attorneys' fees (plus
23 accrued interest), reimbursement from the Settlement Fund of Plaintiffs' Counsel's Litigation
24 Expenses (plus accrued interest), and/or Service Awards (the "Fee and Expense Application"). Class
25 Counsel shall file any such motion 35 days before the Objection Deadline, and such motion shall be
26 made available on the case website. Additionally, the maximum amount of attorneys' fees, costs,
27 expenses, and Service Awards sought by Class Counsel shall be disclosed in the Settlement Notice.
28

62. Class Counsel shall have the sole and absolute discretion to allocate the Attorneys' Fees and Expenses Award among Class Counsel and any other counsel that represented Plaintiffs in the Action. Defendant shall have no liability or other responsibility for allocation of any such Attorneys' Fees and Expenses Award. The Released Flo Parties shall have no responsibility for, and no liability with respect to, any payment(s) for attorneys' fees, Litigation Expenses, or Service Awards and/or to any other Person who may assert some claim thereto, or any fee and expense award the Court may make in the Action.

63. It is not a condition of this Settlement Agreement that any particular amount of attorneys' fees, costs, or expenses, or Service Awards be approved by the Court, or that such fees, costs, expenses, or awards be approved at all. Any order or proceeding relating to the amount of any award of attorneys' fees, costs, or expenses or Service Awards, or any appeal from any order relating thereto, or reversal or modification thereof, shall not operate to modify, terminate, or cancel this Settlement Agreement.

64. Upon the Court's approval of an Attorneys' Fees and Expenses Award, such approved amounts shall be paid from the Escrow Account within five (5) calendar days following the later of (a) the entry of the Final Approval Order, and (b) entry by the Court of an order awarding attorneys' fees and expenses. The Fee and Expense Award shall be payable from the Settlement Fund in accordance with this paragraph, notwithstanding the existence of any timely filed objections thereto or to the Settlement, or potential for appeal therefrom, or collateral attack on the Fee and Expense Application, the Settlement, or any part thereof. Any payment of an Attorneys' Fees and Expenses Award pursuant to this Section shall be subject to Class Counsel's obligation to make refunds or repayments to the Settlement Fund of any paid amounts, plus accrued earnings at the same net rate as is earned by the Settlement Fund, if the Settlement is terminated pursuant to the terms of this Agreement or fails to become effective for any reason, or if, as a result of any appeal or further proceedings on remand or successful collateral attack, the Attorneys' Fees and Expenses Award is reduced or reversed by Final non-appealable court order. Class Counsel shall make the appropriate refund or repayment in full no later than thirty (30) calendar days after receiving notice of the termination of the Settlement pursuant to this Settlement Agreement, notice from a court of

appropriate jurisdiction of the disapproval of the Settlement by Final non-appealable court order, or notice of any reduction or reversal of the Attorneys' Fees and Expenses Award by Final non-appealable court order. Class Counsel, as a condition of receiving any such Attorneys' Fees and Expenses Award, agree that they are subject to the jurisdiction of the Court for purposes of enforcing the provisions of this Section.

65. The settlement was reached following multiple mediation sessions conducted before third-party neutral, Ambassador Jeff Bleich; following Court-ordered settlement conferences with Magistrate Judge Hixson; and as a result of direct inter-party negotiations that followed. The Parties did not discuss Service Award payments or attorneys' fees and expenses at any of those sessions or conferences or while negotiating the material terms of the Settlement Agreement, and they have made no agreements in connection with the Plaintiffs' requests for Service Award payments or Class Counsel's attorneys' fees and expenses. Defendant expressly reserves the right to contest the amount of any requests for an Attorneys' Fees and Expenses Award or Service Awards.

XII. MOTION FOR FINAL APPROVAL AND ENTRY OF FINAL JUDGMENT

66. After Settlement Notice is issued, and prior to the Final Approval Hearing, Class Counsel, on behalf of the Plaintiff(s) and Class, shall move for entry of the Final Approval Order and Final Judgment in this Action. Class Counsel will provide a draft of the motion in advance to Flo's Counsel for review. The motion will request that the Court:

(a) Find that the Court has personal jurisdiction over all Class Members, that the Court has subject-matter jurisdiction over the claims asserted in the Action, and that the venue is proper;

(b) Find that Settlement Notice constituted the best notice practicable under the circumstances and complied in all respects with the requirements of Rule 23 of the Federal Rules of Civil Procedure and due process;

(c) Finally approve this Settlement Agreement and its terms as being a fair, reasonable, and adequate settlement of the Class's claims against Flo under Rule 23 of the Federal Rules of Civil Procedure;

(d) Direct that the Action be dismissed as to the Released Flo Parties with prejudice and without costs, except as provided herein;

(e) Discharge and release the Released Claims as to the Released Parties effective as of the Effective Date;

(f) Authorize the Parties to implement the terms of the Settlement;

(g) Permanently bar and enjoin all Class Members from filing, commencing, prosecuting, intervening in, or participating (as class members or otherwise) in any lawsuit, action, or other proceeding in any jurisdiction against any Released Party based on the Released Claims;

(h) Dismiss the Action as to Flo with prejudice and enter a separate judgment pursuant to Rule 58 of the Federal Rules of Civil Procedure;

(i) Determine, pursuant to Fed. R. Civ. P. 54(b), that there is no just reason for delay and directing that the Final Judgment shall be final and appealable;

(j) Determine that the Settlement Agreement and the Settlement provided for herein, and any proceedings taken pursuant thereto, are not, and should not in any event be offered, received, or construed as evidence, a presumption, a concession, or an admission by any Party of liability or nonliability, or of any misrepresentation or omission in any statement or written document approved or made by any Party; provided, however, that reference may be made to this Settlement Agreement and the Settlement provided for herein in such proceedings as may be necessary to effectuate the provisions of this Settlement Agreement, as further set forth in this Settlement Agreement;

(k) Reserve the Court's continuing and exclusive jurisdiction over the Settlement and this Agreement, including the administration, enforcement, interpretation, and consummation of this Agreement, the Final Approval Order and Final Judgment, and any final order approving the Attorneys' Fees Expenses Award and Service Awards; and

(l) Contain such other and further provisions consistent with the terms of this Agreement to which Flo and Plaintiffs expressly consent in writing.

67. As provided in Section XI, Class Counsel will timely request, by separate motion, that the Court approve its Fee and Expense Application. The Fee and Expense Application is separate and apart from the Settlement between the Parties.

XIII. BEST EFFORTS TO EFFECTUATE THIS SETTLEMENT

68. The Parties and their respective counsel agree to cooperate with one another to the extent reasonably necessary to effectuate and implement the terms and conditions of this Settlement Agreement and to exercise their reasonable best efforts to accomplish the terms and conditions of this Settlement Agreement. The Parties and their respective counsel agree they will use their best efforts to obtain all necessary approvals of the Court required by this Settlement Agreement, including to obtain a Final Approval Order and Final Judgment approving the Settlement.

XIV. TERMINATION

69. If the Effective Date does not or cannot occur, then this Settlement Agreement shall be terminated, subject to and in accordance with the subsections below, unless the Parties mutually agree in writing to continue with this Agreement for a specified period of time.

70. Flo and Class Counsel (acting on behalf of Plaintiffs) shall have the right, but not the obligation, each in their sole discretion, to terminate this Settlement Agreement by providing written notice to the other Party's Counsel, pursuant to Section XXVI, within fifteen (15) Business Days of learning of any of the following conditions:

(a) the Court declines to enter or modifies the Preliminary Approval Order sought pursuant to Section V or the Final Approval Order sought pursuant to Section XII in any material respect (including, but not limited to, the Flo Settlement Amount, definition of the Class, or the definition of Released Claims);

(b) the Court declines to grant Final Approval of the Settlement Agreement or any material part of it;

(c) the Court declines to enter the Final Approval Order and Final Judgment in any material respect; or

(d) the Final Approval Order or the Final Judgment is modified or reversed or vacated by any appellate court or the U.S. Supreme Court in any material respect and is not, or cannot

1 be, reinstated and finally approved without material change by the Court on remand. Notwithstanding
 2 the above, the Parties agree to negotiate in good faith to amend the Settlement Agreement to the extent
 3 the basis for termination can be resolved by the Parties.

4 71. The results of the Jury Trial against Meta, and any appeals relating thereto, shall have
 5 no effect on the enforceability of this Settlement Agreement, shall not be cause for delay of the
 6 Effective Date, and cannot be cause for Termination of the Settlement Agreement.

7 **XV. EFFECT OF TERMINATION**

8 72. In the event that the Effective Date does not occur or this Settlement Agreement should
 9 terminate, or it otherwise fails to become effective for any reason, then:

10 (a) Within ten (10) Business Days after the Termination Notice is provided to all
 11 Parties, any monies already paid by Flo, plus all interest earned, and any amount required to be
 12 refunded by Class Counsel pursuant to Section XI, minus Taxes and Tax Expenses paid, and Notice
 13 and Settlement Administration Costs incurred, will be refunded, reimbursed, and repaid to Flo by the
 14 Settlement Administrator, pursuant to written instructions from Flo's Counsel;

15 (b) At the request of Flo's Counsel, the Settlement Administrator or its designee
 16 shall apply for any tax refund owed on the Settlement Fund and pay the proceeds to Flo, after
 17 deduction of any fees or expenses reasonably incurred in connection with such application(s) for
 18 refund, to Flo; and

19 73. Upon termination of this Settlement Agreement with respect to all Parties:

20 (a) this Settlement Agreement shall be null and void and of no further effect, and
 21 Flo, Plaintiffs, and Class Members shall not be bound by its terms, other than those set forth in
 22 Sections XIV-XVI & XVIII;

23 (b) any and all releases hereunder shall be of no further force and effect;

24 (c) the Action will revert to the status that existed before the MOU execution date,
 25 and no term or draft of this Settlement Agreement, nor any part of the Parties' settlement discussions,
 26 negotiations, or documentation (including any declaration or brief filed in support of the motion for
 27 preliminary approval or motion for final approval), nor any rulings regarding the Settlement
 28 Agreement (including the Preliminary Approval Order and, if applicable, the Final Approval Order

and Final Judgment), will have any effect or be admissible into evidence for any purpose in the Action, or any other proceeding. If the Court does not approve the Settlement or enter the Final Approval Order and Final Judgment for any reason, or if the Effective Date cannot occur for any reason, the Parties shall retain all their respective rights, including, for example, Flo's right to assert defenses at trial, and nothing in this Settlement Agreement or other papers or proceedings related to the Settlement shall be used as evidence or argument by any Party for any other purpose; and

(d) any and all rulings, orders, or judgments entered, altered, amended, or vacated by the Court in accordance with the terms of this Settlement Agreement shall be deemed reverted *nunc pro tunc* to their respective status as of the execution date of the MOU, and shall proceed in all respects as if the MOU and this Settlement Agreement had not been executed, without prejudice in any way from the negotiation, fact, or terms of the Settlement.

74. This Settlement Agreement may be amended or modified only by a written instrument signed by or on behalf of all Parties or their respective successors-in-interest and approval of the Court.

75. The Parties agree that the effectiveness of this Settlement Agreement is not contingent upon the Court's approval of the payment of any Attorneys' Fees and Expenses Award or any Service Awards. If the Court declines to approve, in whole or in part, a request for Attorneys' Fees or Expenses or Service Awards, all remaining provisions in this Settlement Agreement shall remain in full force and effect.

XVI. CONFIDENTIALITY

76. Plaintiffs, Plaintiffs' Counsel, Flo's Counsel, and Flo agree to maintain the confidentiality of the terms of this Settlement prior to the filing of a Motion for Preliminary Approval. During this period, the Settlement terms are and shall be treated as confidential and shall not be shared or disclosed unless both Parties agree to disclose the Settlement terms, or if ordered by the Court.

77. To the extent permitted by law, all agreements made and orders entered during the course of the Action relating to the confidentiality of information shall survive this Settlement Agreement. The provision of the confidentiality agreement entered into with respect to the mediation

1 process concerning this matter is waived for the limited purpose of permitting the Parties to confirm
2 that they participated in the mediation and that the mediation process was successful.

3 **XVII. SUCCESSORS AND ASSIGNS**

4 78. This Settlement Agreement shall be binding upon, and inure to the benefit of, the
5 successors and assigns of Flo, the Released Parties, Plaintiffs, Plaintiffs' Counsel, and Releasing
6 Plaintiff Parties, including any corporation, partnership, or other entity into or with which any Party
7 hereto may merge, consolidate, or reorganize, each of which is entitled to enforce this Settlement
8 Agreement.

9 **XVIII. NO ADMISSIONS**

10 79. Flo denies each and every claim and contention alleged against it in the Action and all
11 allegations of wrongdoing or liability alleged against it. Nonetheless, Flo has entered into this
12 Settlement solely to avoid the time and expense of further litigation.

13 80. Neither this Settlement Agreement, nor the Settlement contained herein, nor any act
14 performed or document executed pursuant to or in furtherance of the Settlement Agreement or the
15 Settlement or the MOU: (i) is, or may be deemed to be, or may be used as an admission of, or evidence
16 of, the validity or lack thereof of any released claim, or of any wrongdoing or liability of any of the
17 Released Parties; or (ii) is, or may be deemed to be, or may be used as an admission of, or evidence
18 of, any fault or omission of any of the Released Parties in any civil, criminal, or administrative
19 proceeding in any court, administrative agency, or other tribunal, including but not limited to in any
20 United States jurisdiction.

21 **XIX. REPRESENTATIONS**

22 81. Plaintiffs represent and warrant that they are the sole owners of their claims released
23 herein, both individually and together, and that they have not assigned or transferred, or purported to
24 assign or transfer, to any person or entity, any of the claims released.

25 82. Each Party represents that:

26 (a) Such Party has the full legal right, power, and authority to enter into and
27 perform this Agreement, subject to Court approval;
28

1 (b) Such Party is voluntarily entering into this Agreement as a result of arm's-
2 length negotiations conducted by its counsel;

3 (c) Such Party is relying upon its own judgment, belief, and knowledge, and the
4 advice and recommendations of its own independently selected counsel, concerning the nature,
5 extent, and duration of its rights and claims hereunder and regarding all matters that relate in any way
6 to the subject matter hereof;

7 (d) Such Party has been represented by, and consulted with, the counsel of its
8 choice regarding the provisions, obligations, rights, risks, and legal effects of this Agreement and has
9 been given the opportunity to review independently this Agreement with such counsel and agree to
10 the language of the provisions herein;

11 (e) The execution and delivery of this Agreement by such Party and the
12 consummation by such Party of the transactions contemplated by this Agreement have been duly
13 authorized by such Party;

14 (f) Except as provided herein, such Party has not been influenced to any extent in
15 executing the Agreement by representations, statements, or omissions pertaining to any of the
16 foregoing matters by any Party or by any person representing any Party to the Agreement;

17 (g) Each Party assumes the risk of mistake as to fact or law;

18 (h) This Agreement constitutes a valid, binding, and enforceable agreement; and

19 (i) No consent or approval of any person or entity is necessary for such Party to
20 enter into this Agreement.

21 83. Plaintiffs represent and warrant that upon the Effective Date of the Settlement, they
22 will have no surviving claim or cause of action against any of the Released Flo Parties with respect
23 to any of the Released Plaintiffs' Claims.

24 84. Class Counsel represent and warrant that they have not solicited current or prospective
25 clients to bring new claims against Flo, have no knowledge of any non-Class Member clients pursuing
26 an action against Flo through them or other counsel, and have no knowledge of their clients
27 individually or collectively planning to opt-out of the Class. Class Counsel further advise that they
28 have not undertaken a specific inquiry of all clients and potential clients regarding those individuals'

1 intentions. The Parties stipulate that Class Counsel are not required to make such additional inquiry
2 or represent and warrant anything beyond their own current state of knowledge with respect to these
3 matters. Entire Agreement, Exhibits, and Parol Evidence

4 85. This Settlement Agreement, including any exhibits hereto and agreements referenced
5 herein, contains the entire, complete, and integrated statement of each and every term and provision
6 agreed to by and among the Parties and is not subject to any condition not provided for or referenced
7 herein. No representations, warranties, or inducements have been made to any Party concerning this
8 Settlement Agreement or its exhibits other than the representations, warranties, and covenants
9 covered and memorialized in such documents. This Settlement Agreement supersedes all prior or
10 contemporaneous discussions, agreements, and understandings among the Parties to this Settlement
11 Agreement with respect hereto. This Settlement Agreement may not be modified in any respect except
12 by a writing that is executed by all the Parties hereto.

13 86. All of the exhibits to this Settlement Agreement are an integral part of the Settlement
14 and are incorporated by reference as though fully set forth herein. Any inconsistency between this
15 Settlement Agreement and the attached exhibits will be resolved in favor of this Settlement
16 Agreement.

17 87. No extrinsic evidence or parol evidence shall be used to interpret, explain, construe,
18 contradict, or clarify this Settlement Agreement, its terms, the intent of the Parties or their counsel,
19 or the circumstances under which this Settlement Agreement was made or executed. This Settlement
20 Agreement supersedes all prior negotiations and agreements. The Parties expressly agree that the
21 terms and conditions of this Settlement Agreement will control over any other written or oral
22 agreements.

23 **XX. HEADINGS**

24 88. The headings used in this Settlement Agreement are for the convenience of the reader
25 only and shall not have any substantive effect on the meaning and/or interpretation of this Settlement
26 Agreement.

XXI. JOINT DRAFTING

89. This Settlement Agreement was jointly drafted by the Parties. None of the Parties shall be considered to be the drafter of this Settlement Agreement or any provision herein for the purpose of any statute, case law, or rule of interpretation or construction that might cause any provision to be construed against the drafter. This Settlement Agreement shall not be construed more strictly against one Party than another merely by virtue of the fact that it, or any part of it, may have been prepared by counsel for one of the Parties, it being recognized that this Settlement Agreement is the result of arm's length negotiations and that all Parties have contributed substantially and materially to the preparation of the Agreement. The Parties agree that the provisions of California Civil Code Section 1654 and common law principles of construing ambiguities against the drafter shall have no application.

XXII. CHOICE OF LAW

90. All provisions of this Settlement Agreement and its exhibits shall be governed by and interpreted according to the substantive laws of the State of California, without regard to its choice of law or conflict of laws principles.

XXIII. COSTS AND FEES

91. The Parties agree to bear their own costs and attorneys' fees and expenses not otherwise awarded in accordance with this Settlement Agreement.

XXIV. EXECUTION IN COUNTERPARTS AND EXECUTION DATE

92. This Settlement Agreement may be executed in one or more counterparts. Facsimile and scanned/PDF or electronic signatures shall be considered original and valid signatures. All executed counterparts shall be deemed an original and all of which, when taken together, shall constitute one and the same instrument. There shall be no agreement until the fully signed counterparts have been exchanged and delivered to each of the Parties. The execution date shall be the last date when all signatories have signed the Agreement.

XXV. SUBMISSION TO AND RETENTION OF JURISDICTION

93. To the extent the Parties cannot reach agreement on the enforceability of the terms of this Settlement Agreement, they shall attempt to resolve their dispute(s) by submitting them to

Ambassador Bleich according to such processes as he shall unilaterally determine, and all expenses incurred thereby shall be split by the Parties. However, Ambassador Bleich shall have no authority to alter the total amount of the Flo Settlement Amount or limit the scope of the non-monetary relief.

94. To the extent any dispute arising out of or concerning this Settlement Agreement is not subject to arbitration or is not resolved by Ambassador Bleich, the Parties, Released Flo Parties, and the Releasing Plaintiff Parties irrevocably submit, to the fullest extent permitted by law, to the exclusive jurisdiction of the United States District Court for the Northern District of California, if federal jurisdiction exists, otherwise the Superior Court for the County of Santa Clara, California, solely for any suit, action, proceeding, or dispute arising out of or relating to this Settlement Agreement, or the exhibits hereto. For the purpose of such suit, action, or proceeding, to the fullest extent permitted by law, the Parties, Released Parties, and the Releasing Plaintiff Parties irrevocably waive and agree not to assert, by way of motion, as a defense, or otherwise, any claim or objection that they are not subject to the jurisdiction of such Court, or that such Court is, in any way, an improper venue or an inconvenient forum or that the Court lacked power to approve this Settlement Agreement or enter any of the orders contemplated hereby.

13 is beneficial and fair to the Class. Defendant likewise agrees that the Settlement set forth herein is
14 beneficial to the Class.

15 **XXXV. WAIVER**

18 Agreement.

19 **XXXVI. SEVERABILITY**

20 106. Should any part, term, or provision of this Settlement Agreement be declared or
21 determined by any court or tribunal to be illegal or invalid, the Parties agree that the Court may modify
22 such provision to the extent necessary to make it valid, legal, and enforceable. In any event, such
23 provision shall be separable and shall not limit or affect the validity, legality, or enforceability of any
24 other provision hereunder except that the total amount of the Settlement Fund owed by Flo shall be a
25 non-severable material term.

26 **XXXVII. SINGULAR AND PLURAL**

27 107. In construing this Settlement Agreement, the use of the singular includes the plural
28 (and vice-versa) and the use of the masculine includes the feminine (and vice-versa).

All Parties warrant and represent that they are agreeing to the terms of this Settlement Agreement based upon the legal advice of their respective attorneys, that they have been afforded the opportunity to discuss the contents of this Settlement Agreement with their attorneys, and that the terms and conditions of this document are fully understood and voluntarily accepted without duress or undue influence. The Plaintiffs further acknowledge, agree, and understand that: (a) each has read and understands the terms of this Settlement Agreement; (b) each has been advised in writing to consult with their attorney before executing this Settlement Agreement; and (c) each has obtained and considered such legal counsel as he or she deems necessary.

XXXIX. CLASS MEMBER COMMUNICATIONS

109. No Party shall make or authorize any communication that is intended or reasonably likely to encourage Class Members to exclude themselves from the Class or to object to the Settlement. Defendant may, however, continue any and all ordinary-course-of-business communications with Class Members. Defendant may further, in its discretion, authorize communications referring all questions from Class Members regarding the Settlement to Class Counsel, the Settlement Administrator, and the Settlement Website.

IN WITNESS WHEREOF, the Parties hereto have caused this Settlement Agreement to be executed, by their duly authorized attorneys, and/or corporate representative, as of the last date below.

Long Form Notice

UNITED STATES DISTRICT COURT
NORTHERN DISTRICT OF CALIFORNIA
SAN FRANCISCO DIVISION

ERICA FRASCO, et al., individually and on
behalf of all others similarly situated,

Plaintiffs,

v.

FLO HEALTH, INC., META PLATFORMS,
INC., GOOGLE, LLC, and FLURRY, INC.,

Defendants.

Case No.: 3:21-cv-00757-JD

**NOTICE OF PROPOSED CLASS ACTION SETTLEMENTS, FINAL APPROVAL HEARING AND
CLASS MEMBERS' RIGHTS**

**If You Used the Flo App Anytime From November 1, 2016 to
February 28, 2019**

You Could Get Money from \$59.5 Million in Settlements

A federal court authorized this Notice. It is not a solicitation from a lawyer.

The purpose of this Notice is to inform you that proposed settlements (the “Settlements”) have been reached with three Defendants: Google LLC (“Google”), Flo Health, Inc. (“Flo”), and Flurry LLC (“Flurry” and, together with Flo and Google, “Settling Defendants”), in a class action lawsuit. Plaintiffs entered into a Settlement Agreement with Flurry on March 20, 2025, with Google as of August 8, 2025, and with Flo on September ___, 2025.

The lawsuit alleged that between November 1, 2016 and February 28, 2019 (the “Class Period”), Flo incorporated code from Flurry, Meta Platforms, Inc. (f/k/a Facebook, Inc.) (“Meta”), and Google’s software development kits (“SDKs”), among others, in the Flo Period and Ovulation Tracker app (the “Flo App”) through which Flo allegedly shared information with Flurry, Meta, and Google related to Flo App users’ menstruation and/or pregnancy.

Generally, Plaintiffs alleged violation of their common law privacy rights, along with various federal and California state privacy and consumer protection laws. For example, Plaintiffs said that Flo’s alleged disclosure of their personal health information between November 1, 2016 and February 28, 2019 violated the California’s Confidentiality of Medical Information Act (“CMIA”), intruded upon their seclusion, was an invasion of privacy under Art. 1 Sec. 1 of the California Constitution, and was a breach of contract. Plaintiffs also said that Flurry, Meta, and Google’s alleged receipt of this alleged personal health information between November 1, 2016 and February 28, 2019 violated Section 632 of the California Invasion of Privacy Act (“CIPA”). Flo, Flurry, and Google all deny Plaintiffs’ allegations, deny that they violated any laws, deny that personal or health information was shared, and deny they did anything wrong. The Court has not determined whether they did anything wrong or caused damages.

You may have seen a previous notice about the Court certifying a nationwide Class and California Subclass and determining that certain claims could proceed to trial as a class action.

Google, Flurry, and Flo have not admitted any wrongdoing, but have agreed to the Settlements solely to eliminate the uncertainties, burden, expense, and delay of further protracted litigation. If the Court approves the proposed Settlements, the claims in the lawsuit against Google, Flo, and Flurry will be resolved.

Under the Settlements, Google has agreed to pay \$48,000,000, Flo has agreed to pay \$8,000,000, and Flurry has agreed to pay \$3,500,000 to the Class. These amounts will be combined into a total Settlement Fund of \$59,500,000 that will be used to compensate eligible Class Members (including California Subclass Members) that submit valid and timely Claim Forms. The Settlement Fund will also be used to pay for the notice and settlement administration costs, taxes, service awards for the named Plaintiffs, and attorneys' fees and expenses.

Please do not contact the Court regarding this Notice. Inquiries concerning this Notice, the Claim Form, or any other questions should be directed to:

BASIC INFORMATION

1. Why is there a notice?

Class Members have a right to know about the proposed Settlements with Google, Flo, and Flurry before the Court decides whether to approve the Settlements. This Notice explains the consolidated litigation, the Settlements, your legal rights, what benefits are available, who is eligible for them, and how you can apply to receive your portion of the benefits if you are eligible. Your legal rights are affected whether you act or not.

The purpose of this Notice is also to inform you of the Final Approval Hearing to be held by the Court to consider the fairness, reasonableness, and adequacy of the Settlements, and to consider requests for awards of attorneys' fees and expenses, and any service awards for Plaintiffs ("Fee and Expense Application"), and the plan for allocating the Settlements among eligible Class Members.

Judge James Donato of the United States District Court for the Northern District of California is overseeing this case. The lawsuit is known as *Frasco et al. v. Flo Health, Inc. et al.*, No. 3:21-cv-00757 (N.D. Cal.). The people who filed the case are called the Plaintiffs. The remaining non-settling Defendant in the lawsuit is Meta.

2. What is a class action lawsuit?

A class action is a lawsuit in which one or more representative plaintiffs bring a lawsuit on behalf of themselves and other similarly situated persons (*i.e.*, a class) who have similar claims against the defendants.

In this case, Erica Frasco, Sarah Wellman, Jennifer Chen, Tesha Gamino, and Autumn Meigs are class representatives for the nationwide class ("Class Representatives"). Sarah Wellman, Jennifer Chen, and Tesha Gamino are also class representatives for the California Subclass.

One court decides the issues for everyone in the class—except for those people who chose to exclude themselves from the class or are excluded by definition—and the class representatives, the court, and counsel appointed to represent the class all have a responsibility to make sure that the interests of all class members are adequately represented.

Here, the Court decided that the lawsuit can move forward as a class action because, among other things, the claims of the nationwide Class and California Subclass are similar enough that trying them all together would be fair and more efficient than trying them separately.

However, when class representatives enter into a settlement with a defendant on behalf of a class, such as in these Settlements with Flurry, Google, and Flo, the court requires that the class members be given notice of the settlement and an opportunity to be heard with respect to the settlement. The court then conducts a hearing (called a Final Approval Hearing) to determine, among other things, if the settlement is fair, reasonable, and adequate.

3. What definitions are used in this notice?

Capitalized terms used in this Notice, but not otherwise defined, generally have the same meanings as in the Settlement Agreements with Google, Flo, and Flurry, and the Court's Preliminary Approval Order. The Settlement Agreements and the Court's Preliminary Approval Order are posted on the case website, www.PeriodTrackerDataPrivacyLitigation.com.

4. What is this lawsuit about?

Flo operates a period-tracking app in the United States that allows users to track their menstrual cycle, predicts ovulation times, and tracks pregnancy, among other functions. Plaintiffs allege that between November 1, 2016 and February 28, 2019, Flo incorporated code from Flurry, Meta, and Google's software development kits ("SDKs") in the Flo App, through which Flo allegedly shared information with Flurry, Meta, and Google, among others, related to Flo App users' menstruation and/or pregnancy along with persistent identifiers unique to those users' devices.

Plaintiffs alleged Flo (i) violated California's Confidentiality of Medical Information Act ("CMIA"), (ii) was liable for common law invasion of privacy - intrusion upon seclusion, (iii) was liable for invasion of privacy under Art. 1 Sec. 1 of the California Constitution, and (iv) breached its contracts with Plaintiffs. Plaintiffs alleged Flurry, Meta, and Google violated Section 632 of the California Invasion of Privacy Act ("CIPA"). Flo, Google, and Flurry each deny all of Plaintiffs' allegations, that they violated any laws, and that personal or health information was shared, and assert they did nothing wrong. The Court did not decide whether Flo, Flurry, or Google did anything wrong.

5. What about Meta (Facebook)?

Separate from the allegations against Flurry, Google, and Flo, Plaintiffs also alleged that Meta (formerly known as Facebook) unlawfully intercepted Flo App communications in violation of Section 632 of CIPA. A trial between Plaintiffs and Meta concluded on August 1, 2025, and the jury returned a verdict in favor of Plaintiffs. If you are eligible to receive money from that verdict, you will be contacted at a later time. Your election in response to this notice will not impact your right to receive money from the Meta verdict.

6. What is the history of this litigation?

On January 29, 2021, Plaintiff Erica Frasco filed the initial complaint in this action against Flo, alleging that Flo incorporated software development kits ("SDKs") in the Flo Health App through which Flurry, Google, and Meta intercepted Flo App users' communications with Flo, including their health information. Six later-filed actions were subsequently consolidated with the case, and on September 2, 2021, Plaintiffs filed a consolidated class action complaint alleging claims against Flurry, Google, AppsFlyer, and Meta, in addition to Flo.

Google, Meta, Flurry, and AppsFlyer jointly and Flo separately filed motions to dismiss the case. The Court granted the motion to dismiss as to AppsFlyer only and granted the motion as to the Stored Communications Act as to Flo, but denied the motions in other respects, in the end sustaining Plaintiffs' claims under CIPA, California Comprehensive Computer Data Access and Fraud Act ("CDAFA"), the Federal Wiretap Act, Unfair Competition Law ("UCL"), CMIA, and common law invasion of privacy.

Following the motions to dismiss and Defendants' answers to the Complaint, Plaintiffs engaged in substantial discovery, serving numerous Requests for Production of Documents, Interrogatories, and Requests for Admission on Defendants, as well as answering discovery requests from Defendants. Class Counsel reviewed thousands of documents produced by Flo as well as tens of thousands of documents produced by Flurry, Meta, and Google. The Parties spent a significant amount of time preparing for and taking or defending depositions. In addition to expert depositions, Class Counsel deposed current and former Flurry, Flo, Meta, and Google employees and corporate representatives, and defended the depositions of each of the eight named Plaintiffs.

Plaintiffs engaged in extensive expert discovery, offering three experts to testify on the various highly technical or scientific aspects of the case and to rebut Defendants' nine expert witnesses. Class Counsel took the deposition of each of Defendants' experts and defended the depositions of Plaintiffs' experts.

Following the close of fact and expert discovery, Plaintiffs moved for class certification, and Plaintiffs and Defendants filed their respective motions to exclude experts. After those motions were fully briefed, the Court terminated the motions without prejudice and provided additional direction to facilitate a renewed motion for class certification. Class Counsel resumed expert discovery, proffering two experts and a third expert to rebut Defendants' economics expert. Class Counsel again took the deposition of Defendants' five experts identified in this round of expert discovery and defended the depositions of Plaintiffs' three experts.

During this time, Flurry filed an amended corporate disclosure statement with the Court in which Flurry alerted the Court that it was in the process of dissolving.

After the conclusion of the renewed expert discovery, Plaintiffs again moved for class certification.

Shortly after Plaintiffs moved for class certification, Google also moved for summary judgment, which Plaintiffs opposed. The Court granted Google's motion as to Plaintiffs' UCL and aiding-and-abetting claims, but otherwise denied the motion. In February 2025, Flo and Meta moved for summary judgment.

While briefing for Plaintiffs' renewed motion for class certification was ongoing, the Court referred the Parties to private mediation before retired Ambassador Jeff Bleich. Plaintiffs and Flurry mediated before Ambassador Bleich on October 30, 2024, and after extensive negotiations, Plaintiffs and Flurry reached an agreement in principle to settle Plaintiffs' claims against Flurry for \$3,500,000. Plaintiffs and Flurry negotiated the material terms of the Settlement and executed the Settlement Agreement on March 20, 2025. Flurry denies the allegations in the pleadings in the case, denies that it has engaged in any wrongdoing, denies that Plaintiffs' allegations state valid claims, and vigorously disputes that Plaintiffs and the Class are entitled to any relief, but nevertheless agrees to resolve the case to eliminate the uncertainties, burden, expense, and delay of further protracted litigation.

On May 19, 2025, the Court certified the Class and California Subclass and determined that the remaining claims should proceed to trial as a class action. Notice of the class action was issued beginning in June 2025.

On May 22, 2025, as to Flo, the Court granted Flo's motion for summary judgment as to implied contract, UCL, and unjust enrichment, as well as all claims asserted by plaintiff Pietrzyk as to Flo, but otherwise denied the motion. As to Meta, the Court denied Meta's motion for summary judgment except as to Plaintiffs' UCL claim and aiding-and-abetting claims.

On July 3, 2025, Plaintiffs and Google reached an agreement in principle to settle Plaintiffs' claims against Google for \$48,000,000. Plaintiffs and Google negotiated the material terms of the Settlement and executed the Settlement Agreement as of August 8, 2025. Google denies the allegations in the pleadings in the case, denies that it has engaged in any wrongdoing, denies that Plaintiffs' allegations state valid claims, and vigorously disputes that Plaintiffs and the Class are entitled to any relief, but nevertheless agrees to resolve the case to eliminate the uncertainties, burden, expense, and delay of further protracted litigation.

The trial against Flo and Meta began on July 21, 2025. While the trial was ongoing, on July 30, 2025, Plaintiffs and Flo reached an agreement in principle to settle Plaintiffs' claims against Flo for \$8,000,000.

Plaintiffs and Flo negotiated the material terms of the Settlement and executed the Settlement Agreement on September __, 2025. Flo denies each and all of the claims and allegations of wrongdoing in Plaintiffs' pleadings and maintains that it has good and meritorious defenses to the claims of liability and damages made by Plaintiffs, but Flo nevertheless agreed to resolve the Action on the terms set forth in this Settlement solely to eliminate the uncertainties, burden, expense, and delay of further protracted litigation.

The trial concluded on August 1, 2025 against Meta, as the sole non-settling Defendant. A jury verdict for Class Representatives was delivered as to Meta on August 1, 2025 and announced on the docket on August 4, 2025.

7. Why are there Settlements?

Plaintiffs and Class Counsel believe that Class Members have been damaged by Flurry, Google, and Flo's conduct. Flurry, Google, and Flo deny the allegations made by Plaintiffs, believe that they have meritorious defenses to them, and contend that Plaintiffs' claims would have been dismissed before trial, at trial, or on appeal. As a result, Flurry, Google, and Flo believe Plaintiffs would have received nothing if the lawsuit against them had continued to trial and verdict.

The Court did not decide in favor of Plaintiffs, Flurry, Google, or Flo. Instead, Class Counsel engaged in separate negotiations with Flurry, Google, and Flo to reach the negotiated Settlements. The Settlements allow the parties to avoid the risks and costs of lengthy litigation and the uncertainty of additional pre-trial proceedings, a trial, and/or appeals. If approved, the Settlements will also permit Class Members who submit timely and valid Claim Forms to receive some compensation, rather than risk ultimately receiving nothing. Plaintiffs and Class Counsel believe the Settlements are in the best interest of all Class Members.

If the Settlements are approved, the claims against Flurry, Google, and Flo in this Action will be resolved; all Released Plaintiffs' Claims (as defined in the Settlement Agreements) against the Released Flurry, Google and Flo Parties will be released by the Releasing Plaintiffs Parties. If the Settlements are not approved, Class Representatives will continue to litigate their claims against Flurry, Google, and Flo.

WHO GETS MONEY FROM THE SETTLEMENTS

8. Who is included in the Settlements?

You are included in the Settlements if you are a member of the nationwide Class and/or California Subclass and you did not previously request to be excluded or you are not excluded by definition.

You are a member of the nationwide Class if:

- i. You used the Flo App in the United States between November 1, 2016, and February 28, 2019; *and*
- ii. You entered menstruation and/or pregnancy information into the Flo App during that time.

You are a member of the California Subclass if:

- i. You used the Flo App in California between November 1, 2016 and February 28, 2019;
- ii. You entered menstruation and/or pregnancy information into the Flo App during that time; *and*
- iii. You resided¹ in California during that time.

These people are excluded from the nationwide Class and California Subclass by definition:

(1) any Judge or Magistrate presiding over this action and any members of their families; (2) Defendants, Defendants' subsidiaries, parents, successors, predecessors, and any entity in which Defendants or their parents have a controlling interest and their current or former employees, officers, and directors; (3) persons who properly executed and filed a timely request for exclusion from the Class; (4) persons whose claims in this matter have been finally adjudicated on the merits or otherwise released; (5) Plaintiffs' counsel and Defendants' counsel; (6) the legal representatives, successors, and assigns of any excluded persons.

9. What if I am still not sure if I am included?

If you are still not sure whether you are included, you can ask for free help. You can email info@PeriodTrackerDataPrivacyLitigation.com, call toll-free 1-866-778-9626 or visit the website, www.PeriodTrackerDataPrivacyLitigation.com for more information.

10. Can I still ask to exclude myself from the Settlements?

No. The deadline to exclude yourself from the Class (and, if applicable, California Subclass) has passed. If you did not exclude yourself previously in connection with the June 2025 class notice, you cannot ask to be excluded now.

11. If I didn't exclude myself previously, can I sue later?

No. Unless you previously excluded yourself from the Class (and, if applicable, California Subclass), you gave up the right to sue Defendants for the claims in this lawsuit, and will be bound by the releases in the Settlement Agreements and all orders and judgments in the Action, whether favorable or unfavorable. You can access the Settlement Agreements, including the release language, on the website: www.PeriodTrackerDataPrivacyLitigation.com.

THE SETTLEMENTS' BENEFITS**12. What do the Settlements provide?**

Google has agreed to pay \$48,000,000, Flo has agreed to pay \$8,000,000, and Flurry has agreed to pay \$3,500,000 to the Class in exchange for the releases and dismissals of claims. These amounts will be combined into a total Settlement Fund of \$59,500,000.

The Settlement Fund will be used to pay any Court-approved disbursements, including notice and settlement administration costs, taxes, service awards for representative Plaintiffs, attorneys' fees, and litigation expenses. The remaining amount ("Net Settlement Fund") will be used to make payments to eligible Class Members who submit timely and valid Claim Forms ("Authorized Claimants").

¹ You must have lived in California, but California did not need to be the state of your legal residency.

If the Settlements are approved, each Authorized Claimant will receive a *pro rata* (or proportional) share of the Net Settlement Fund, calculated according to the plan of allocation approved by the Court. To account for the increased legal value of claims under California's data protection laws, which provide statutory damages, Authorized Claimants who provide reasonable documentation showing they are also members of the California Subclass will receive twice the *pro rata* share of Authorized Claimants who are residents of other states.

13. How can I get a payment?

If you are a Class Member and did not exclude yourself previously, you are eligible to submit a Claim Form to receive your share of money from the Net Settlement Fund. Claim Forms must be submitted online at the website, www.PeriodTrackerDataPrivacyLitigation.com, on or before 11:59 p.m. Pacific Time on [DATE], OR be postmarked by [DATE] and mailed to:

Period Tracker Data Privacy Litigation
P.O. Box 173126
Milwaukee, WI 53217

Following the timely submission and receipt of your Claim Form online, a printable "Confirmation of Claim Receipt" will be displayed on the screen, which will acknowledge receipt of your Claim. If you do not submit a Claim Form, you will not receive any payments under the Settlements. Class Members who do not timely submit valid Claim Forms will still be bound by the Settlements.

14. How much will my payment be?

At this time, we do not know precisely how much each Authorized Claimant will receive from the Settlements or when payments will be made. The amount of your payment will primarily depend on the number of timely valid claims submitted; the amount of fees and expenses approved by the Court; whether you are a member of the California Subclass; and the plan of allocation approved by the Court.

The Settlement Amounts paid by the Settling Defendants, and interest earned, is the gross "Settlement Fund." The Settlement Fund, after the deduction of Court-approved attorneys' fees, litigation expenses, notice and administration expenses, taxes, and any other fees or expenses approved by the Court, is the "Net Settlement Fund." If the Settlements are approved by the Court, the Net Settlement Fund will be distributed to Authorized Claimants according to the following proposed plan of allocation, or another plan of allocation that the Court approves. The Court may approve the proposed plan of allocation, or modify it, without additional individual notice to the Class. Any order modifying the plan of allocation will be posted on www.PeriodTrackerDataPrivacyLitigation.com.

The objective of this plan of allocation is to distribute the Net Settlement Fund equitably among Class Members as a result of the alleged violations. The calculations made pursuant to the plan of allocation, however, are not intended to estimate, or be indicative of, the amounts that Class Members might have been able to recover after a trial. The computations under the plan of allocation are only a method to weigh the Claims of Authorized Claimants against one another for the purposes of making *pro rata* allocations of the Net Settlement Fund. The Settlement Administrator will determine each Authorized Claimant's *pro rata* share of the Net Settlement Fund.

Pursuant to the proposed plan of allocation, Authorized Claimants who are members of the California Subclass will be allocated twice the *pro rata* amount allocated to Authorized Claimants who are not members of the California Subclass. This is to account for the increased legal value of claims under California's data protection laws, which provide statutory damages.

The Net Settlement Fund will be paid to all Authorized Claimants whose prorated payment is \$1.00 or more, given the costs of issuing payments. If the prorated payment to any Authorized Claimant calculates to less than \$1.00, it will not be included in the calculation and no payment will be made to that Authorized Claimant. Payments will be made after all Claims have been processed and after the Court has finally approved the Settlements and the Settlements have reached their Effective Dates.

15. What happens if there are funds remaining?

If there are any funds remaining after all Claims are processed and paid, the unclaimed funds will be redistributed to Authorized Claimants who negotiated their prior payment, if feasible and economical, after the payment of notice and administration expenses, taxes, and any unpaid attorneys' fees and expenses. These redistributions shall be repeated until the balance in the Net Settlement Fund is no longer feasible or economical to distribute. Any balance that still remains, after payment of unpaid notice and administration expenses and taxes, will be contributed to a non-profit, non-sectarian organization approved by the Court. No remaining funds will be returned to Flurry, Google or Flo.

16. When will I receive a payment?

The Court will hold the Final Approval Hearing on [DATE] to decide whether to approve the Settlements. If the Court approves the Settlements, there may be appeals after that. It can sometimes take a year or more for the appellate and Claims process to conclude. Please be patient; status updates will be posted on the website.

17. What do I have to do after I submit a Claim Form?

The Settlement Administrator will evaluate your Claim Form after you submit it to determine if you have provided sufficient information to validate whether you are a Class Member and to approve your Claim. If the Settlement Administrator determines that your Claim Form is deficient or defective for any reason other than a determination that the Claim was fraudulently submitted, it will contact you, and you will have twenty (20) days from the date of the written notice to cure the deficiencies. If you then provide information that satisfies the Settlement Administrator and shows your Claim Form is valid, you will just have to provide accurate and current payment information. If the defect is not cured within the 20-day period, then your Claim will be deemed invalid. Claims determined to be fraudulently submitted will be denied without further recourse. If any disputes cannot be resolved, Class Counsel will submit them to the Court, and the Court will make a final determination about your Claim Form's validity.

18. If I excluded myself, can I get money from the Settlements?

No. You cannot submit a Claim, and you will not get any money from the Settlements if you timely and validly excluded yourself.

19. What if I do nothing?

Unless you previously excluded yourself from the Class (and, if applicable, California Subclass), you remain a Class Member. However, if you do not submit a timely and valid Claim Form, you will not receive any payment from the Settlements. You are bound by past and any future Court rulings, including rulings on the Settlements. You cannot start a lawsuit, continue with a lawsuit, or be a part of any other lawsuit about the claims against the Defendants in this case, including the Released Plaintiffs' Claims (as defined in the Settlement Agreements).

OBJECTING TO THE SETTLEMENTS

20. How do I tell the Court what I think about the Settlements?

If you are a Class Member and you did not exclude yourself, you can tell the Court what you think about the Settlements. You can object to all or any part of the Settlements, the application for attorneys' fees and expenses, and/or the motion for any service awards for the named Plaintiffs. You can give reasons why you think the Court should approve them or not. You can't ask the Court to order different settlements; the Court can only approve or reject the Settlements. If the Court denies approval, no settlement payments will be made, and the lawsuit against Flurry, Google and Flo will continue. The Court will consider your views.

If you choose to object, you must file a written objection with the Court. You cannot object by telephone or email. All written objections and supporting papers must: (i) clearly identify the case name and number (*Frasco, et al. v. Flo Health, Inc., et al.*, No. 3:21-cv-00757 (N.D. Cal.)); (ii) be submitted to the Court either by mailing them to the Clerk of the Court at the United States District Court for the Northern District of California, Phillip Burton Federal Building & United States Courthouse, 450 Golden Gate Avenue, San Francisco, CA 94102, or by filing them in person at any location of the United States District Court for the Northern District of California, or by filing them electronically through an attorney; and (iii) be filed ***no later than*** _____, 2025.

Your written objection must also include: (i) your full name, current address, telephone number, email address, and email address that you used with the Flo App (if any); (ii) your signature; (iii) proof² or an attestation that you are a Class Member; (iv) a statement of whether your objection applies only to you, to a specific subset of the Class, or to the entire Class; (v) a statement of whether your objection applies to the Flurry Settlement, Google Settlement, Flo Settlement or all three Settlements; (vi) a statement about the legal and factual basis for your objection; (vii) copies of any documents that the you wish to submit in support of your position, and the names of any witnesses; (viii) an identification of all attorneys representing you, if any; (ix) the signature of your duly authorized attorney or other duly authorized representative, if any, along with documentation of their representation; and (ix) a list, including case name, court, and docket number, of all other cases in which you and/or your attorney have filed an objection to any proposed class action settlement in the past three (3) years.

You may, but are not required to, appear at the Final Approval Hearing. If you intend to speak at the Final Approval Hearing (whether on your own or through an attorney), you must file a notice of appearance ***on or before*** ____, 2025, and you must identify: the attorney(s) representing you who will appear at the Final Approval Hearing, if any, by including the attorney's name, address, phone number, email address, the state bar(s) to which the attorney is admitted, as well as associated state bar numbers.

If you appear through your own attorney, you are responsible for hiring and paying that attorney and they must formally appear in the case. If you do not appear through your own attorney, you will be represented by Class Counsel.

If you do not timely and validly submit your objection, your views will not be considered by the Court or any court on appeal. Check the website, www.PeriodTrackerDataPrivacyLitigation.com, for updates on important dates and deadlines relating to the Settlements.

21. If I object to the Settlements, can I still submit a Claim?

Yes. You may submit a Claim if you are a Class Member even if you object to the Settlements.

22. What is the difference between objecting and excluding myself?

Objecting is telling the Court that you do not like something about the Settlements. You can object only if you did not exclude yourself from the Class. Excluding yourself is telling the Court that you do not want to be a part of a class. The time to exclude yourself has already passed. If you previously excluded yourself, you cannot object because the case no longer affects you.

THE LAWYERS REPRESENTING YOU

23. Do I have a lawyer in this case?

Yes. The Court has appointed lawyers to represent the members of the Class and California Subclass. These lawyers are called Class Counsel. The following lawyers are Class Counsel here:

²Proof may include the Unique ID code and other information included on the Email Notice you may have received from the Settlement Administrator that identifies you as a Class Member.

24. How will the lawyers be paid?

To date, Class Counsel and the other Plaintiffs' Counsel have not been paid anything for their work on this case. The Settlements provide that Class Counsel may apply to the Court, on Plaintiffs' Counsel's behalf, for an Attorneys' Fees and Litigation Expenses award from the Settlement Fund. Class Counsel will ask the Court for an award not to exceed 32.5% of the Settlement Fund (20% of the Flurry Settlement, and 33.3% of the Settlements with Flo and Google) as an attorneys' fees award and up to \$_____ for Litigation Expenses. Plaintiffs may also ask the Court to grant Service Awards up to a total of \$_____.

This is only a summary of the request for attorneys' fees, Litigation Expenses, and Service Awards. Any motions in support of the requests will be available for viewing on the website after they are filed. If you wish to review the motion papers, you may do so by viewing them at www.PeriodTrackerDataPrivacyLitigation.com.

The Court will consider the motion for attorneys' fees, Litigation Expenses, and Service Awards at or after the Final Approval Hearing. Any awards approved by the Court will be paid out of the Settlement Fund.

THE COURT'S FINAL APPROVAL HEARING**25. When and where will the Court decide whether to approve the Settlements?**

The Court will hold the Final Approval Hearing on [DATE], at [TIME], at the United States District Court for the Northern District of California, 450 Golden Gate Avenue, Courtroom 11, 19th Floor, San Francisco, CA 94102. The Final Approval Hearing may be moved to a different date or time without notice to you. The Final Approval Hearing could also be conducted remotely. Although you do not need to attend, if you plan to do so, you should check www.PeriodTrackerDataPrivacyLitigation.com or the Court's Public Access to Court Electronic Records (PACER) system at <https://ecf.cand.uscourts.gov> to confirm that the date has not been changed before making travel plans.

At the Final Approval Hearing, the Court will consider whether the Settlements are fair, reasonable, and adequate. The Court will also consider whether to approve the requests for attorneys' fees, Litigation Expenses, and any Service Awards for the named Plaintiffs. If there are any objections, the Court will consider them at this time. We do not know how long the Final Approval Hearing will take or when the Court will make its decision. The Court's decision may be appealed.

26. Do I have to come to the Final Approval Hearing?

No. Class Counsel will answer any questions the Court may have. You are, however, welcome to come at your own expense. If you send an objection, you do not have to come to Court to talk about it. As long as you file your written objection on time, the Court will consider it. You may also hire your own lawyer to attend, but you are not required to do so.

27. May I speak at the Final Approval Hearing?

You may ask the Court for permission to speak at the Final Approval Hearing. If you want to appear at the Final Approval Hearing, you must enter an appearance at your own expense, individually, or through your own attorney, by filing a notice of appearance with the Clerk of Court as described in Question 27, such that it is received **no later than [DATE]**, or as the Court may otherwise direct. All documents sent to the Court by any Class Member, including any objection to the proposed Settlements, are filed electronically by the Clerk and therefore, will be available for public review. Any Class Member who does not enter an appearance will be represented by Class Counsel. You cannot request to speak at the Final Approval Hearing by telephone or email.

BY ORDER OF THE COURT

Exhibit A-3

Short Form Notice

**IF YOU USED THE FLO APP ANYTIME BETWEEN NOVEMBER 1, 2016
AND FEBRUARY 28, 2019
You Could Get Money from \$59.5 Million in Settlements**

www.PeriodTrackerDataPrivacyLitigation.com

Proposed Settlements totaling \$59.5 million have been reached with Google LLC (“Google”), Flo Health, Inc. (“Flo”), and Flurry LLC (“Flurry”), in a class action lawsuit regarding Flo’s Period and Ovulation Tracker app (the “Flo App”). The case is *Frasco et al. v. Flo Health, Inc. et al.*, No. 3:21-cv-00757 (N.D. Cal.). Plaintiffs alleged that the Flo App disclosed information related to users’ menstruation and/or pregnancy information to Flurry, Meta Platforms, Inc. (“Meta”), and Google. The Court did not decide who is right or whether Flo, Flurry, or Google did anything wrong. Flo, Flurry, and Google deny all of Plaintiffs’ allegations, dispute that personal or health information was shared, and dispute that they did anything wrong.

What is this lawsuit about?

Plaintiffs alleged that between November 1, 2016 and February 28, 2019 (“Class Period”), Flo incorporated code from Flurry, Meta, and Google’s software development kits (“SDKs”), among others, in the Flo App through which Flo allegedly shared information with Flurry, Meta and Google related to Flo App users’ menstruation and/or pregnancies. Plaintiffs claimed the alleged disclosure of this personal health information violated certain state and federal laws. Defendants deny the claims and that they did anything wrong. Flurry, Google, and Flo agreed to settle with Plaintiffs solely to eliminate the uncertainties, burden, expense, and delay of further protracted litigation; they have not admitted any wrongdoing as part of the Settlements.

The Court previously certified a nationwide Class and California Subclass in this case and decided the claims against Flo, Google, and Meta could proceed to trial. Plaintiffs, Google, and Flo reached Settlements before the trial concluded.

Who is included in the Settlements?

Generally, you are included in the Settlements if you are a member of the nationwide Class and/or California Subclass and you did not exclude yourself by July 20, 2025, or you are not excluded by definition.

Unless you are excluded, you are a member of the nationwide Class if you used the Flo App in the United States between November 1, 2016, and February 28, 2019; *and* you entered menstruation and/or pregnancy information into the Flo App during that time.

Unless you are excluded, you are a member of the California Subclass if you used the Flo App in California between November 1, 2016 and February 28, 2019; you lived in California during that time; *and* you entered menstruation and/or pregnancy information into the Flo App during that time.

A more detailed notice, including the exact Class and California Subclass definitions and who is not included, is available at www.PeriodTrackerDataPrivacyLitigation.com.

What do the Settlements provide?

Under the Settlements, Google has agreed to pay \$48,000,000, Flo has agreed to pay \$8,000,000, and Flurry has agreed to pay \$3,500,000 to the Class in exchange for releases of all claims and related claims. These amounts will be combined into a total Settlement Fund of \$59,500,000 that will be used to compensate eligible Class Members (including California Subclass Members) that file valid and timely Claim Forms. The Settlement Fund will also be used to pay for notice and settlement administration costs, taxes, service awards for representative Plaintiffs, attorneys' fees, and Litigation Expenses.

How can I get a payment?

If you are Class Member and did not exclude yourself previously, you must submit a Claim Form to get a payment. Claim Forms must be submitted online at www.PeriodTrackerDataPrivacyLitigation.com on or before 11:59 p.m. Pacific Time on [DATE] or be postmarked by [DATE]. The amount of your payment will depend on the number of valid claims and if you are a member of the California Subclass.

What are my rights and options?

If you are a Class Member, you can participate in and will be bound by the Settlements with Google, Flo, and Flurry, and all related orders and judgments.

If you did not exclude yourself, you may object to the Settlements by [DATE]. Details on how to object are contained in the Long Form Notice at www.PeriodTrackerDataPrivacyLitigation.com. The Court will hold a hearing on [DATE] to consider whether to approve the Settlements and requests for attorneys' fees up to 32.5% of the Settlement Fund (20% of the Flurry Settlement, and 33.3% of the Settlements with Flo and Google), Litigation Expenses up to \$_____, and service awards up to \$_____ for the named Plaintiffs. You or your own lawyer may appear and speak at the hearing at your own expense. Please check the website for updated information.

**If You Used the Flo App Anytime Between November 1, 2016 and February 28, 2019
You Could Get Money from \$59.5 Million in Settlements**

This is a Court authorized notice. Records show that you could get a payment from proposed Settlements in a class action lawsuit. Generally, you are included as a member of the nationwide Class if you used the Flo Period and Ovulation Tracker App (“Flo App”) in the United States between November 1, 2016, and February 28, 2019 (“Class Period”); *and* you entered menstruation and/or pregnancy information into the Flo App during that time. You are also included as a member of the California Subclass if you used the Flo App in California during the Class Period, entered menstruation and/or pregnancy information into the Flo App, *and* lived in California during that time.

Under the Settlements, Google LLC (“Google”) will pay \$48 million, Flo Health, Inc. (“Flo”) will pay \$8 million, and Flurry LLC (“Flurry”) will pay \$3.5 million. If you are eligible and want to participate, click the button below to submit a claim **no later than [DATE]**.

[Submit a Claim](#)

Flo operates the Flo App in the United States that allows users to track their menstrual cycle, predict ovulation, and track pregnancy, among other things. The lawsuit alleged that between November 1, 2016, and February 28, 2019 Flo incorporated code from Flurry, Meta Platforms, Inc. (f/k/a Facebook, Inc) (“Meta”) and Google’s software development kits (“SDKs”), among others, in the Flo App through which Flo allegedly shared information related to Flo App users’ menstruation and/or pregnancies. Plaintiffs say this was against the law. Flurry, Google, and Flo deny Plaintiffs’ allegations and deny they did anything wrong, but agreed to settle to resolve the claims solely to eliminate the uncertainties, burden, expense, and delay of further protracted litigation.

If you are a Class Member, you can now submit a Claim Form to ask for a payment and/or object to the Settlements and related relief. Even if you do nothing, if you are in the Class (and did not exclude yourself by July 20, 2025), you will be bound by the Court’s decisions. If you did not exclude yourself previously, you may object by **[DATE]** by following the instructions in the Long Form Notice available [here](#). The Court will hold a hearing about the Settlements on **[DATE]**. Class Counsel will ask the Court to approve attorneys’ fees up to 32.5% of the Settlement Fund (20% of the Flurry Settlement and 33.3% of the Settlements with Google and Flo), Litigation Expenses up to \$____, and service awards up to \$____ for the named Plaintiffs. You, or your own lawyer at your own expense, may appear and speak at the hearing at your own expense.
